WHY RELIGIOUS EDUCATION?

You are your child's most important Catechist!

Parents have the first responsibility for the education of their children. They bear witness to this responsibility first by creating a home where tenderness, forgiveness, respect, fidelity, and disinterested service are the rule. the home is well suited for education in the virtues.

The all-new *Christ Our Life* series is an authentic, kerygmatic catechesis program that joyfully nurtures missionary discipleship in the lives of children and their families through the love and centrality of Jesus Christ. Authored by the Sisters of Notre Dame of Chardon, Ohio, this beloved program, which has built generations of faithful Catholics has been completely updated and redesigned.

All program components work together along with integrated and engaging multimedia to promote an ongoing encounter with Christ and the formation of missionary disciples as lifelong witnesses to the Good News. Video, audio, interactive, and text resources are thoughtfully integrated into each chapter to spark children's interest, curiosity, and motivation.

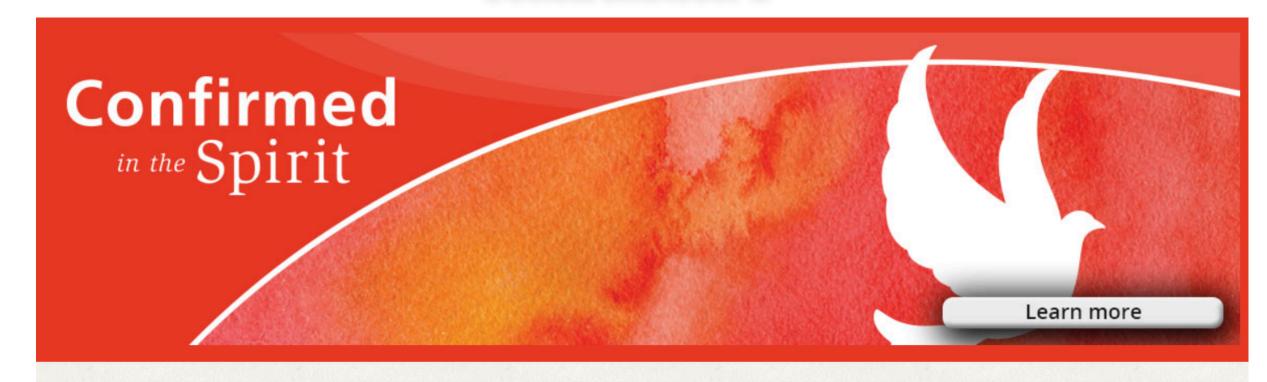

Program Features & Benefits

Multimedia Content: Engage children, parents, catechists, and teachers with animations, narrated videos, interactive activities, audio, and additional text resources.

Parents, reviewing the QR codes on the chapter pages your kids take home can enhance your child's learning experience. You might find additional resources, interactive content, or fun activities that reinforce what they're learning in class. It can also be a nice way to bond as a family while sharing your Faith!
